DISABILITY & MEDICAL CONDITIONS

Chorley Bowmen is proud to support members with a wide range of disabilities and medical conditions. Archery provides an excellent opportunity for participants of all levels of physical and mental ability to shoot together. In order to ensure that we provide effectively for this diversity and to ensure the safety of all members, it is essential that we are aware of any disabilities or conditions that might be relevant to your shooting ability. This information will be used only by club officials and the coaching team, when helping to develop support and services for individuals and the wider membership.

Do you have a disability or injury which may impact the way you shoot or your mobility on the archery field? (please specify)

E.g. mobility, previous muscle/bone injury that might restrict limb movement, vision impairment, hearing impairment etc.

Do you have any medical conditions that should be made aware to club officials or the coaching team?

E.g. diabetic, heart condition, epilepsy etc.
